# Comparison Number Stories

**Family Note**

Today your child learned about a comparison diagram. It helps organize information in a number story. To read more, see page 258 in the *Student Reference Book*.

*Please return this Home Link to school tomorrow.*

Write ? in the diagram for the number you want to find. Write the numbers you know in the diagram. Then write the answer and a number model. Tell someone at home how you know that your answers make sense.

1. Jenna has \$42. Her brother has \$13. How much more money does Jenna have?

Answer the question: \_\_\_\_\_  
(unit)

Number model:  
\_\_\_\_\_

<b>Quantity</b>
-----------------

<b>Quantity</b>	_____
	<b>Difference</b>
