Policy Change

I will no longer accept corrected work to be re-graded for the remainder of the school year. This will be a big change for a few students. While I encourage students to continue correcting papers, they will no longer be accepted for a better grade. Some students have been relying on this procedure far too much. I hope this will improve their focus and effort for the remainder of the school year.

Podcasts

I'm sure the kids have mentioned it, but we may get MP3 players for the classroom. One project I plan to use these players for is podcasting. We have already started to learn how to create one. The kids will use a program called Audacity. It is free, cool and available to download from the internet. If you've wanted to learn how, have your child show you. It's that easy to create a podcast!

Reminders

- There will not be a new Spelling and Vocabulary list next week.
- Reading Unit Test on Friday.
